

JOURNEY DISCIPLESHIP COURSE

Who's it for?

Where can I go to share my pain and struggle?

Will anyone listen to me? How can I deal with my struggle?

I'm alone, and afraid to tell anyone what's really happening in my heart.

Such thoughts and questions plague many Christians. The Journey Discipleship Course provides in-depth discipleship and prayer support with the goal of helping individuals experience Jesus in the relationships, sexuality and identity.

This course is for anyone willing to be open with others about their life, and who desires to deepen their relationship with Jesus. It is for those struggling with relational, sexual, or identity issues (such as unhealthy relationships, self-hatred, shame, sexual addiction, pornography, abuse, marital problems, unwanted self-identified same-sex attraction, emotional dependencies etc.)

Find hope. Live life.

What's involved?

Each evening of the six-month Journey Discipleship Course consists of worship, teaching, and prayer in small groups. These gender-specific groups (confidential and closed group format) are safe places for bringing our struggles to God and each other. There are weekly reading assignments for reflection, study, and prayer.

Participants apply and are interviewed prior to their enrolment in the course.
