

# Riverside Ministry Opportunities

## Riverside Kids

Riverside has 3 age groups in our children's ministry:

- Buddies (ages 2-5 years)
- Lifehouse (grades 0-5)
- Solid Ground (Grades 6-8)

There are various roles for volunteers from a general assistant who serves for half an hour before service helping with set up and the welcoming and directing of kids; to those who prepare during the week and run the children's programmes on Sundays which includes set-up, teaching the lessons and explaining the activities. There is also an in-between role which supports and assists the person up front and manages a small group.

## Velocity (teenagers)

Riverside has a thriving teenage ministry which meets on Friday nights. The Velocity leaders have a passion for young people and create weekly programmes which disciple teens and assist them to be able to disciple others.

## Sound & Media

Our sound and media team include those who operate the sound desk, those who control the laptop for the hall screen, and those who operate the camera system for our online viewers. Any new volunteers will be trained but some prior knowledge of sound/computers is required.

## Car Park Ministry

The car park ministry is the first face of Riverside to welcome everyone as they arrive, assist them to find parking spaces and provide security for our congregation's vehicles.

## Registration

Covid regulations require that we have a registration and sanitising station. The registration team checks everyone in as they arrive and welcomes guests.

## Women

The Women's Ministry is aimed at helping women go deeper in their discipleship journey. The ministry takes on many forms as and how the Lord leads. It has included formal and informal mentorship, seasonal/topical LifeGroups and a variety of events. If you have a short-term idea that you would like to execute please contact Bianca.

## Meals Ministry

We love to practically serve our congregation by providing meals for families who have experienced a birth, hospitalisation or bereavement. The volunteers take turns to cook and deliver a meal to the family in need.

## Branch Out

Branch Out is our ministry to the surrounding community. Volunteers help to support our partner organisations, help with campaigns and fundraising, as well as help establish and launch the Branch Out vision of ending poverty in the South of Jhb.
